

ATTENTION WATER CUSTOMERS

The Town of North Andover Water Dept. is in the process of installing new water meters as part of the on-going Water Meter Replacement Program. This work is being done by Five Oaks Construction Co., Inc. who will be in contact with the affected residences in order to schedule the installation of a new meter. Two letters will be sent in an effort to contact the residents. If unsuccessful, Five Oaks Construction Co., Inc. will attempt personal contact via door-to-door canvassing. If you have any questions about this service, you may contact Five Oaks Construction Co., Inc. at 866 448-5441 or 978 337-0899. You may also contact the North Andover Water Dept. at 978 688-9570.
