

NASWAC Committee Minutes
For May 11, 2006
DPW Conference Room, 7:00PM

Attendees: Tina Klein, Chair
Steve Daly, Vice- Chair
Bill Hmurciak, DPW Director
Karen Kline
Joanne Parrill

Meeting came to order at 7:15 PM.

Steve Daly recorded minutes for 5/11/06 meeting.

Old Business

- A. Town-wide Yard Sale scheduled for June 24 and 25.
 - Flyer info finalized
 - Planned to distribute flyers to public locations such as Town Hall, Library, DPW, also commercial locations such as thrift shops, CVS, Star Market. Agreed to advertise within North Andover only, and assess the success of this strategy after the event.
- B. Virtual Town Hall, website update underway.
- C. NASWAC Annual Report- Our first comprehensive annual report to the town is published in the Town Meeting Warrant. This is an excellent presentation of NASWAC's accomplishments and future goals penned by Tina.

New Business

- A. Due to other committee priorities and lack of available volunteers the Recycling Committee will not be sponsoring an information table at the upcoming Sheep Shearing Festival or the Fourth of July celebration. (note: the Sheep Shearing Festival was canceled for 2006 due to saturated grounds.)
- B. Town Meeting Preparation- the committee will respond to any request for input from the Board of Selectmen regarding trash fees and the 'Pay As You Throw' models. Tina will offer our assistance to the Board.
- C. Redeemable beverage can audit- Steve Daly has been in touch with Boy Scout Troop # 87. However, lining up the Scouts to be available when the roll-off is fairly full and the weather is cooperating- has been difficult to schedule. The scouts are willing to try again in the fall.

- D. Rain barrels- Will be available this year but without the DEP grant subsidy. Residents can purchase these for \$62.00 ea. Residents can order directly from the manufacturer. A delivery day for all received orders will be arranged.
(Because of the time involved in Annual Town Meeting and Special Town Meeting, the Committee could not organize a distribution day)
- E. Appreciation for Bernadette- to be taken up at next meeting.
- F. Summer edition of OPT is scheduled for June 29 delivery.
- G. North Andover Recycling Information: Bill Hmurciak presented his updated mailer containing key recycling information. The information was reviewed and minor alterations will be made.

Meeting adjourned at 9:45 PM.

Next meeting: June 8, 2006 @ DPW conference room, 7:00PM
