ARTICLE I - PREAMBLE

This Agreement is made and entered between the Town of North Andover, Massachusetts, acting by and through its Town Manager, (hereinafter referred to as the "Town"), and Council 93, American Federation of State, County and Municipal employees, AFL-CIO, (hereinafter referred to as the "Union").

ARTICLE II - RECOGNITION CLAUSE

Pursuant to the decision of the Massachusetts Labor Relations Commission Case #CR-2397, dated January 6, 1977, the Town, hereby recognizes the Union as the sole and exclusive representative of all employees of the Department of Public Works, with the exception of administrative and supervisory personnel (such as the Division Director, department heads, assistant department heads, general foreman, engineering personnel and laboratory personnel), for the purposes of bargaining with the respect to wages, hours of work, and working conditions.

ARTICLE III - MANAGEMENT RIGHTS

The Union recognizes that all of the functions, rights, powers, responsibilities and authority of the Town with regard to the operation of its work and business and direction of its work force which the Town has not specifically abridged, deleted, delegated, granted or modified by this Agreement are, and shall remain, exclusively those of the Town.

Not by way of limitation of the foregoing clause, the Town retains the right and responsibility to (1) hire, discharge, transfer, suspend and discipline employees for cause; (2) to determine the number of persons required to be employed, laid off or discharged; (3) to determine the qualifications of employees; (4) to determine the starting and quitting time of its employees; (5) make any and all reasonable rules and regulations; (6) determine the work assignments of its employees; (7) determine the basis for selection, retention and promotion of employees subject to Civil Service law; (8) determine the type of equipment, facilities, and work processes to be used.

ARTICLE IV - WORK RULES

The Town agrees to make no change in past practices relative to work rules or in the work rules themselves without prior consultation between the Town and three (3) representatives of the Union who shall be designated by the Union to consult with the Town in regard to the proposed changes. Such consultation shall take place within two (2) working days of the request for consultation delivered in writing to the Union president or other local officer, provided, such two (2) working day periods may be extended upon mutual agreement by the parties. A copy of the work rule or directive will be given to the Union President and another Union official to be kept for union records.

ARTICLE V - UNION RIGHTS AND PRIVILEGES

All job benefits heretofore enjoyed by the employees, either by State Statute or Civil Service, which are not specifically provided for or abridged in this Agreement, are hereby protected by this Agreement. No provision in this Agreement shall be construed to conflict with MGL c31, or any other provision of the General Laws.

ARTICLE VI - NON-DISCRIMINATION

The Town and Union agree that neither will interfere with, restrain, or coerce employees in the exercise of the rights guaranteed by the General Laws and that neither will discriminate, nor cause the other to discriminate with respect to appointment, tenure or employment, any term or condition of employment against any employee because of membership in the Union or any legal Union activities. No person shall be discriminated against on the basis of race, creed, color, sex, age, political belief, sexual preference, religion, and national origin.

The parties acknowledge the existence of the Town of North Andover's sexual harassment policy.

ARTICLE VII - DUES DEDUCTIONS

SECTION 1. COUNCIL #93 DUES. Employees covered by this agreement may, on the prescribed form, authorize payroll deductions for the purpose of paying Council #93 dues. No authorization shall be allowed for payment of initiation fees, assessments or fines. Dues shall be deducted biweekly and the funds shall be remitted to the Treasurer of Council #93 on the fifteenth day of each month. Any such deduction for any employee shall be terminated by the Town Treasurer whenever the employee shall submit to the Town Treasurer a signed request giving sixty (60) days notice that said deduction is to be terminated.

SECTION 2. AGENCY SERVICE FEE.

- a) In accordance with MGL c150E §12, it shall be a condition of employment that all employees in the bargaining unit who are not members of the Union and who have been employed for thirty (30) days or more, shall pay to the Union an agency service fee to defray the costs of collective bargaining and contract administration in an amount equal to the current regular Union dues. Such payment shall be made on or after the thirtieth (30) day following the beginning of such employment or the effective date of this Agreement, whichever is later.
- b) The Town agrees to deduct biweekly from the pay of such employees who properly authorize it, all agency service fees, which are owed to the Union.
- c) The Union agrees to indemnify the Town for any financial liability or legal expense, which the Town may incur in complying with this Article.

SECTION 3. NOTIFICATION TO TOWN. The Union will initially notify the Town as to the amount of dues. Such notification will be certified to the Town in writing over the signature of an authorized officer of the Union.

ARTICLES VIII - SENIORITY

Seniority, according to this Agreement, shall consist of the accumulated paid service of the employee with the Town as a regular full-time employee and including temporary, continuous full-time employment prior to regular employment. The employee's earned seniority shall not be lost because of absence due to illness, authorized leave of absence, or temporary lay-off. The seniority list shall be brought up to date each year as soon as possible after April 1st and shall be posted in a conspicuous place. A copy of the seniority list shall be sent by mail to the designated secretary of the Union. Any objections to the seniority list shall be reported to the respective department head within ten (10) days or it shall stand approved. The principle of seniority in job grade or classification shall govern and control in cases of reassignment, reduction in working force, preference in shift work, overtime (Article X Section 4b) and choice of Vacation Time (Article XII Section 3h).

ARTICLE IX - VACANCY

Whenever there is a vacancy in any position covered by this Agreement, said vacancy shall be filled by the most qualified internal candidate. If no internal candidate is qualified, the Town may fill the position from outside the bargaining unit. Prior to filling any vacancy within the bargaining unit, the Town shall post a notice of the vacancy in a conspicuous location for not less than ten (10) calendar days.

Per the provisions of Chapter 404 of the Acts of 2012, the civil service status of any person holding the position of laborer, skilled laborer, mechanic or craftsman as of January 4, 2013 shall not be impaired.

ARTICLE X - HOURS OF WORK

SECTION 1. REGULAR HOURS. The regular hours of work shall be from 7:30 a.m. until 4:00 p.m. with lunch from 12:00 noon to 12:30 p.m. Employees will be granted an additional (15) fifteen minutes lunch break on pay days. The workweek shall consist of five (5) consecutive eight (8) hour days, Monday through Friday, inclusive.

SECTION 2. SHIFT DIFFERENTIAL. An employee who is regularly assigned to work an evening shift, a night shift, or a weekend shift shall be paid an extra differential of 6% of his base wage (Article XI, Section 1) for all hours actually worked on said regular shift after 3:00 p.m. and before 7:00 a.m. on weekdays, and any regular shift on weekends. Such differential is paid only to employees regularly assigned to work an evening or night shift, or weekend shift, and is paid separate and apart from base pay and not included therein for any purposes.

SECTION 3. NOTIFICATION OF CHANGE. A fourteen (14) calendar-day notice in writing must be given by the department head to an employee or employees in the department if regular working hours or the regular work week is changed unless the change is mutually agreed upon by the department head and the Union or the department head and the employees involved, in a bonafide emergency situation.

SECTION 4. OVERTIME.

- a) In the event that a need for overtime should occur, overtime pay shall be paid at time and one half of the rate of pay to the permanent members of the department who work. Overtime shall be paid for those hours worked in excess of the normal workday. Double time will be paid for work performed on holidays.
- b) Overtime work shall be distributed as equitably as possible. Department heads shall maintain a rotation list, which shall be posted in a conspicuous place, updated bi-weekly and shall distribute overtime in accordance with said list subject to the following: Initially be offered by seniority, then to be offered to employees with the lowest overtime hours within the job class (W3-W9) of work to be performed (see Appendix A).

Overtime hours will consist of overtime hours worked plus "no-show" hours, which are overtime hours offered but refused. An employee who, for any reason, does not participate in an emergency call-in pursuant to Article X, Section 5 will be charged no-show hours.

An employee who is out sick will not be offered overtime hours until the employee has returned to work for at least one shift.

Where overtime is a continuation of an employee's regular work, the Town may assign that overtime to the employee who normally performs that work, without resort to the overtime list, and notwithstanding any other provision of this agreement.

Call out emergency rotation list will not include scheduled overtime.

- c) In the event that an employee is erroneously skipped in the overtime rotation, the remedy for this error shall be to place that employee at the top of the overtime list for the next available overtime opportunity for which the employee is normally eligible. In the event that the same employee is skipped again within a 90-day period, the employee may file a grievance at Step 2 of the grievance procedure in order to initiate an investigation. Based on the results of the investigation, the employee may be compensated for lost overtime. Such a grievance will not be subject to arbitration.
- d) Normally employees shall not be allowed to work over 24 consecutive hours. At the end of that period, employees will be allowed a six-hour break. The break will be unpaid, unless all or part of the break time falls during the employee's regularly scheduled shift, in which case the employee will be paid only for the regular shift hours covered by the break. Any break time in excess of six hours will be unpaid irrespective of when it occurs

In the event of unusual emergency conditions, an employee who continues to work after completing 14 hours without a six-hour break, will be paid double time for every hour worked beginning with the 15th hour, until the employee receives the six-hour break described above. In this event, the double time compensation, referenced herein, will represent the total compensation for the hours involved, and will not be added to or combined with any other straight-time or premium compensation.

D.J.
Aum

If an employee completes his work shift but is called back within two (2) hours, the two (2) hours will be unpaid but will be credited towards the 14 hour period.

SECTION 5. EMERGENCY CALL-INS. The minimum time on call-ins shall be four (4) hours.

It is understood that the possibility of being called out for an emergency is part of the job inasmuch as the safety of the public is involved and as such the employee shall be required to report to work when directed, unless he has sufficient reason.

An employee called in to perform work in an emergency shall be permitted to return home after completing his assignments, and shall not be required to perform any non-emergency work.

For every eight hours of emergency call-in overtime, the Town shall reimburse a \$10.00 food allowance per employee.

SECTION 6. ON-CALL DUTY AND COMPENSATION.

- a) For the purpose of assuring that a number of employees are on call, available, and fit for duty to respond to emergencies, the Town may assign employees to on-call duty. Such duty shall require the employee to carry an electronic paging device at all times outside the employee's regular workday, whereby the employee can be summoned to work on short notice. Response time shall be within 30 – 45 minutes, if practicable.
- b) The period of on-call duty shall be seven (7) consecutive days.
- c) The Town will assign on-call duty to qualified personnel based upon a process developed by the department head and communicated to the union. At the water treatment plant, the on-call duty shall continue to rotate among all personnel.
- d) In unusual circumstances, an employee may skip his/her scheduled turn in the rotation or a part thereof but only if: (1) three days advance notice is given to the Department, where practicable, (2) the Department Head approves the skip, and (3) the Union, after consultation, raises no objection.

An employee on on-call duty who becomes physically unable to perform such duty shall attempt to secure a replacement and shall, in any event, promptly notify the Department Head of such inability.

- e) The compensation for on-call duty, apart from overtime for responses to call-outs, shall be \$300 per period.
- f) The Public Works Director will be responsible for issuing guidelines and responsibilities of assigned on-call duty personnel.

SECTION 7. COFFEE BREAKS AND WASH-UP PERIOD. Employees will be provided a paid fifteen (15) minute coffee break in the morning, a paid fifteen (15) minute coffee break in the afternoon and a paid fifteen-minute wash-up period before the expiration of each shift.

D.J.
Aum

SECTION 8. ADDITIONAL COFFEE BREAKS. Any employee, who works beyond his normal quitting time, for any reason, shall receive a paid fifteen (15) minute coffee break in every 3-hour period.

SECTION 9. EMPLOYEES ON WORKERS COMPENSATION. Employees who have been out of work due to a work related injury and who have been receiving Workers Compensation will be given preference, in returning to work, in the filling of a position vacancy for which they are qualified and are deemed capable of performing the duties of such position by a physician selected by the Town.

SECTION 10. SHIFT SWAPS. Water Treatment Plant employees may swap shifts, subject to Town approval, by submitting a request to the department head no less than 72 hours prior to the first shift affected by the swap. Both ends of the swap must be completed within two weeks.

 - 1) Upon receipt of such appeal, the Town Manager may initiate and approve the increment without the recommendation of the department head after hearing both the employee and the department head or may deny the appeal.
 - 2) In the event of the Town Manager's denial of the appeal, the employee involved may appeal to the Town for a final at a subsequent Town Meeting in a special article the Town Warrant.
 - c) A new full-time employee denied an increment after six months continuous employment shall be considered again for such increment following completion of an additional six months continuous employment.
